bacon bourbon

- the art of fat washing spirits has come to the forefront of mixology in recent years. we at 360 decided to literally start from scratch. we cure pork fat for several weeks with our own recipe before smoking it for several hours over smouldering maple wood chips. then we infuse it with makers mark bourbon for 24 hours before triple filtering it to leave no trace of the fats and oils. this bourbon is a surprise to the taste buds with its intricate and smoky flavours. don't let its unusual description put you off trying this, you won't regret it -.

360 old fashioned's...

here at 360 we love our old fashioned's. as one of the first truly great classic cocktails, we felt we should pay homage to this timeless and delicious drink.

a bitters soaked sugar cube is slowly dissolved in a solution of your chosen whiskey, rum or if you want a great digestive... maybe amaro..., stirred over cracked ice until well chilled, then served over a large chunk of ice and garnished with a thick orange peel.
