### 360 Bar and Dining, expands wine list; wins GT “Two Glasses” Award

---

Sydney’s iconic fine-dining restaurant, [360 Bar and Dining](#), has received “Two Glasses” at this year’s Gourmet Traveller Fine Wine Partners Australia’s Wine List of the Year Awards 2016.

Celebrating the accolade is Andres Aragon, Food and Beverage Manager and Group Sommelier, and his team who have tirelessly refined the 300+ bottle wine-list, now an outstanding menu in Sydney’s restaurant scene.

Andres’ tactics to reach more and more wine-lovers has led to his introduction of technologies including an Enomatic wine machine and a Coravin system which allow premium wines and Champagnes to be available by the glass.

“Sydney expects so much more than great food in their dining experiences, and to really stand out you must have new and interesting wines all the time. What’s more exciting is to be able to offer exclusive drops by the glass and even half glass, so people can actually have a taste of a dream – while dining with us,” said Andres.

“There are so many exciting things happening in the industry, both locally and internationally right now. We work hard to keep our finger on the pulse, and we are thrilled to have won 2 Glasses at this year’s Gourmet Traveller Awards. The award reflects the hard work we have dedicated over the past five years redefining the wine list, but also the food, service and overall reputation of our venue.”

The “Glass” winners were selected by an expert team of judges who looked at the nation’s leading restaurants to create a list of the very best venues to enjoy the greatest wines, aperitifs and digestives.

Quality must be key to the choice of wines but it is not the only selection criteria. The wine list must have an original and innovative choice with some mature wines from good vintages, avoiding poor vintages and an appropriate variety of wines by the glass. The menu must also feature the adequate list of aperitifs, beers, spirits, liqueurs and waters.

This award marks a significant achievement for [360 Bar and Dining](#). As a commitment to excellence, Andres has assured that next year the restaurant will strive to win a “Three Glass” award.
